

International Young Entrepreneur Training

Entrepreneur Mindset | Character | Attitude | Career Skills

Group: age 7-12 ; age 13-17

Providing a safe and conducive environment for children

AI Talent is an international entrepreneur and education platform.

We have a presence in Malaysia, Thailand, Japan, Taiwan, Cambodia, the Philippines, etc.

AI Talent aims to enable children to learn through hands-on experience, building an entrepreneur mindset and character.

We work hand-in-hand with real entrepreneurs and corporate leaders to explore career potentials in children.

Over 50 projects are coming!

Key Training

- ✓ Character
- ✓ Mindset
- ✓ Leadership
- ✓ Emotional intelligence
- ✓ Management
- ✓ Communication
- ✓ Digital Skills
- ✓ Data literacy

Certification

Certification awarded by entrepreneurs which promotes career advantage in the future.

Global Classroom

Learn with children from different countries, adaptable to other cultures and improve communication skills.

why?

Direct learning with entrepreneurs

Nurture children with an entrepreneurial mindset and character building

Discover children's hidden potential

Stimulate and uncover children's career potential via exposure to various industries.

Introduction to various business industries

Experience and execute real industrial projects from more than 40 industries

Golden ages to teach

Age 7 - 12 build and shape characters;
13 - 17 stimulate career potentials.

How does it work?

Children will be assigned projects designed by corporate leaders and receive regular guidance. They may earn certifications or partnership opportunities at the end of the project.
